A little about me....

Hi! I am excited to be your child's teacher this year. This is my eighth year teaching at Foster School. I am blessed to have the opportunity to work with the students and families in this wonderful community! Prior to being hired to teach at Foster School, I worked as a substitute teacher for five years in District 142 and other surrounding school districts. Before returning to school to complete my teaching degree, I worked as a Children and Family Pastor at a south suburban church.

I live in Midlothian with my husband, Jim and dog, Sheldon. We have three grown children, Jim, Chris and Rebecca, who all attended Foster school. Our three children are all grown and married. I am beyond thrilled and blessed to be a grandma to my precious grandchildren Bryn-10, Jax,-7, Sadie-4 1/2 , Finn- 4, and Maverick 1.. Grandma days with them all are busy and a little crazy, but they are some of my absolute favorite days. I love to read, spend time with my family, quilt, and travel to new places. We all traveled to Rocky Mountain National Park this summer to celebrate Rebecca and Jordan's wedding. My family has been a part of the Foster community for many years. Our three children all attended Foster. I served on the Forest Ridge PTA Board and my husband served on the District 142 School Board.

# Words every student will hear in this class....

- You are MY student. I will always be for you, stand beside you, support you, and will not leave you behind.

# Be Safe...Be Respectful...Be Responsible

Over our first weeks together, teacher and students will work together to generate a vision of an equitable classroom by agreeing to actions that

- are respectful and make our classroom a safe place for sharing;

- support commitment to community and learning together; and
- move thinking forward as students work to figure things out.
